Terms and conditions of your Card Switch

If we agree to a Card Switch with you or if we choose to transfer you to another type of Card (a 'Card Switch'), the following terms apply.

BNZ credit card terms and conditions also apply, a copy of which is available from our website at bnz.co.nz/cardterms. Capitalised terms used below have the same meaning as set out in the **Definitions clause** of those terms and conditions.

1. Switching to a new Card is subject to our approval.
2. You cannot earn BNZ Points (if applicable) for the transfer of the closing balance of your existing Card to your new Card.
3. If you receive a statement for your existing Card and have not yet made a payment, please pay this as normal.
4. There are account fees for your new Card which may be payable immediately. Any account fees paid in advance for your existing Card will not necessarily be refunded or apportioned when the Credit Card Account is closed. For the current fees, phone 0800 800 667, visit a BNZ branch or go online at bnz.co.nz/cardratesandfees.
5. **Changes to this credit card contract:** When a Card Switch occurs some of the terms of your credit card contract with us will change. When we agree a Card Switch with you:
 - a. Depending on the Card you are switching to, we may open a new Credit Card Account with a new Credit Card Account number. We will confirm this with you.
 - b. You may receive a new Card. It may have a different expiry date to your old Card.
 - c. Different interest rates, fees and charges may apply to your Credit Card Account. Please see the front of this factsheet for details of these.
 - d. The other Terms of your credit card contract with us continue to apply.
6. **When the changes apply:** If we agree a Card Switch with you or if we choose to transfer you to another type of Card in accordance with the BNZ credit card terms and conditions, the amended terms of your credit card contract with us (including any applicable new interest rates, fees and charges) will apply from the opening date of your current statement period, not the date we agree the Card Switch with you. This means that:
 - a. if you have an outstanding debit balance (that is, a negative balance) on your Credit Card Account when we process your Card Switch, it will be transferred to your new Credit Card Account on the date that we process your Card Switch. The amended terms of your credit card contract with us will apply to the outstanding debit balance from the opening date of your current statement period;
 - b. all Transactions that have been debited from, or credited to, your old Credit Card Account since the opening date of your current statement period (referred to as 'Unstatemented Transactions'), will be transferred to your new Credit Card Account. The amended terms of your credit card contract with us will apply to those Transactions as if they had been made on your new Card.

Your statement period does not change when a Card Switch occurs.

7. **Payments from your old Credit Card Account:** If necessary, to give you time to change regular payments you make using your Card, we can redirect Transactions that would have been debited from, or credited to, your old Credit Card Account to your new Credit Card Account for a short period of time. We will not be liable to you if we do not redirect any Transactions we should have under this clause.
8. **Card Switches for a joint Credit Card Account:** If your Credit Card Account is a joint Credit Card Account, your new Credit Card Account will also be a joint Credit Card Account.
9. If you have CreditCare Plus insurance on your existing credit card, it will be transferred to your new Card.
10. The minimum payment due must be paid by the due date for any statement received on the new account.
11. Any personal information you provide in the Card Switch form

will be governed by the Information about you clause of the BNZ credit card terms and conditions.
