## Competitive advantage

1. Who are your top three competitors?

---

2. What do they do really well?

---

3. What are they missing?

---

4. Do you have any intellectual property that makes your business unique?

---

5. Identify any intellectual assets that make your business stand out.

---

6. What is your competitive advantage?

---

7. How will you communicate your advantage?

---

8. How will you protect your advantage?

---
