

Important information

Under the KiwiSaver Act 2006, you'll be eligible for a retirement withdrawal if you meet the following criteria:

- you are 65 years of age or older; **and**
- if you joined KiwiSaver before 1 July 2019, you have been a member of a KiwiSaver scheme (and/or complying superannuation fund, or a mixture of both) for at least five years.

NOTE: From 1 April 2020, you can choose to make a retirement withdrawal from KiwiSaver once you are aged 65 years of age or older, even if you have not been a member for at least five years. If you do:

- You will be eligible to withdraw from your BNZ KiwiSaver Scheme (BNZ KiwiSaver) investment, but
- You will no longer be entitled to any government contributions or compulsory employer contributions.

In addition, if your principal place of residence has been outside New Zealand during your KiwiSaver membership, you are not entitled to government contributions during that period. Your principal place of residence is where you mainly reside. If you declare that your principal place of residence was not New Zealand during your KiwiSaver membership, any government contributions you were paid during that period will be deducted from your final balance and returned to Inland Revenue.

If you make a full withdrawal from your BNZ KiwiSaver investment you will no longer be a member of BNZ KiwiSaver and your investment will be closed. A full withdrawal may take up to fifteen business days to process as all employee and employer contributions or final government contribution payments may not have been received from Inland Revenue.

If you are opting for a partial or regular withdrawal, you can still contribute to your BNZ KiwiSaver investment. Partial withdrawals must be for \$500 or more. If your balance is less than \$1,000 you'll need to make a full withdrawal. If your partial withdrawal will leave less than \$1,000 in your account, your withdrawal amount may be adjusted to a smaller amount to ensure a \$1,000 balance is maintained. A partial withdrawal will generally take 5-10 working days to process.

Regular withdrawals are subject to a minimum of \$50 per week, \$100 per fortnight, \$400 per month, \$1,000 per quarter or \$2,000 per year, if your balance is less than \$1,000 you'll need to make a full withdrawal.

If you do not specify the fund and a dollar amount, any partial or regular withdrawal will be deducted proportionately across each fund you're invested in. If you specify an amount that is not available in a particular fund(s), the unavailable amount will be proportionally deducted across each other fund you're invested in.

As you have reached the age of retirement you are no longer eligible for government contributions and compulsory employer contributions are at the discretion of your employer.

Your withdrawal amount will be adjusted for any tax which arises as a result of your withdrawal. Unit prices may go up or down between the time your withdrawal request is made, and the date the relevant units are redeemed. You may be required to provide evidence of the facts necessary to establish your right to make a withdrawal.
