## **Description of the fund**

The First Home Buyer Fund may suit you if you have a short investment timeframe (like if you are saving for your first home through BNZ KiwiSaver) and you are prepared to accept a small amount of investment risk to achieve returns which may be higher than returns from bank deposits (before tax, fees and expenses) over that timeframe.

The First Home Buyer Fund will invest principally in cash and fixed income investments, with a small exposure to growth assets including New Zealand and international shares.

### Notes

- 1. Returns in this statement are after tax at the highest prescribed investor rate (PIR) of tax for an individual New Zealand resident. Your tax rate may be lower.
- 2. The date the fund started was 17 September 2015. This means that the **Return** is for the period 17 September 2015 to 30 June 2016. It does not represent a twelve month return.
- 3. **Fund fees** are fees charged as a percentage of a member's interest in the fund (i.e. as a percentage of their KiwiSaver account balance). The fund started charging the **Annual management fee** on 17 September 2015. The basis for calculating fund fees for the purposes of this disclosure statement is materially different to how fund fees are charged in the fund. The funds actual annual management fee is 0.5% per annum of the average daily gross asset value of the fund.
- 4. **Membership fees** are the fixed dollar charges for membership in the KiwiSaver Scheme. **Membership fees** in the BNZ KiwiSaver Scheme are \$1.95 per member per month (\$23.40 per annum) and are charged proportionately where a member invests in more than one BNZ KiwiSaver Scheme fund. The first membership fee for members of the fund was charged on 2 October 2015.
- 5. The fund started on 17 September 2015. The return in this example is based on the **Return** calculated for the period 17 September 2015 to 30 June 2016 and the **membership fees** charged in the period 17 September 2015 to 31 March 2016.
- 6. The annual financial statements for the BNZ KiwiSaver Scheme containing the fund will be issued for the period ended 31 March 2016. These are expected to be publicly available around August 2016.
