The fees eligible for the monthly rebate include the Account fees. Service fees and the Overdraft Establishment Fee will still apply.

You can only receive the rebate on one Rapid Repay transaction account. Fees and interest are payable on both arranged and unarranged overdrafts and what you are charged depends on whether you have an arranged overdraft or not. See below for more details.

Rates and fees are subject to change. For more information on overdrafts, see section 7 of our Standard Terms and Conditions and (if you have an arranged overdraft) your Overdraft Agreement.
