This document provides information on where to locate further information about the market indices relating to the Private Wealth Series. It should be read with the current Private Wealth Series Product Disclosure Statement (PDS) and Statement of Investment Policy and Objectives (SIPO) and any other information held on the Private Wealth Series Disclose Register entry at [disclose-register.companiesoffice.govt.nz/disclose](https://disclose-register.companiesoffice.govt.nz/disclose)

The market index (also referred to as benchmark index) for each of the Private Wealth Series funds (Fund) is listed below, along with a brief description of the index and where you can find more information about each of the indices. The market index is used to measure the performance of the underlying funds and/or assets in which each Fund invests.

All market indices exclude fees and expenses. The S&P/NZX 50 Index includes imputation credits.
